Ref: Affiliation Request

Dear President Trc,

It is with great pleasure that I inform you that the board members of the European Society of Sports Traumatology, Knee Surgery and Arthroscopy (ESSKA) have agreed to accept your request for affiliation status.

At this time, we would ask you to identify an individual member of your society who would be willing to undertake the role of "Ambassador". Your Ambassador will act as the main liaison person between both our Societies and must be easily contactable thereby enabling easy coordination with ESSKA. The Ambassador **may or may not be** the President of your society, but will be the individual who shall receive all official correspondence between our societies, including any invitations to attend ESSKA meetings (at the behest of ESSKA) and Congresses. The Ambassador will also be responsible for the nomination of the most appropriate person to accept any such invite. Ultimately, this person will not only be your ambassador within ESSKA, but also ESSKA's ambassador within your society.

Mrs Graham Woolwine ([woolwine.graham@esska.org](mailto:woolwine.graham@esska.org)), will be your main contact at the ESSKA Executive office in Luxembourg and very shortly will send several follow-up emails with further details regarding the discount code for your members to join ESSKA, information about our ESSKA Speciality Days 2019, patronage of your events and much more. Please confirm to her who will be your ambassador for future correspondence. In the meantime, you are welcome to contact her if you have any questions, concerns, or ideas as we go forward.

Let me close by welcoming you to the ESSKA family.

Sincerely,

David Dejour  
ESSKA President
